Newsletter

We hope you enjoyed the first issue of our newsletter. Thank you for taking the time to read it. We received many great comments and positive feed back.

We have been busy in the last few months preparing for our upcoming golf tournament. Please see the section below with all the details. We are also working on planning our next training session. We will be providing scissor and boom lift training to all members later in the year. The date and location are still to be determined and we will forward you that information as soon as we have it.

We are always looking for topics for dinner meetings, so please pass along any thoughts you may have for these. We are also looking for new members to sit on the board of directors. If you would like more information, please feel free to contact me.

June Dinner Meeting "How to Keep Good Employees!"

Please join us on Thursday, June 8th at 6:00pm at Fratello's Ristorante Italiano, in Manchester, NH. Our speaker for the evening will be Vincent Racioppo, PhD, President of the Center for Expert Performance, Inc. Dr. Racioppo will be speaking on the following topics:

- The six things you must do to create high engagement and motivation among your employees.
- Activities that for the most part cost very little!
- The ten areas of work sure to create job dissatisfaction and what you should fix first.
- And why when you fix these areas, employees will want to stay!
- The five characteristics of high performing teams, and what you should do create these teams. And why powerful team formation leads to increased employee retention.

If you need a flyer, go to our web site, at www.mbcea-nec.org. We look forward to seeing you there!

16th Annual Metal Building Contractors & Erectors Association New England Golf Tournament

Our 16th annual golf tournament will be held July 20th at Stonebridge Country Club in Goffstown, New Hampshire. You may view the course lay out at their website www.golfstonebridgecc.com. Watch for further information and registration forms, which will be available soon. We are looking forward to another successful year. If you would like to donate an item for the raffle or sponsor a hole, please contact Jeff Mullaney at 781-828-0340.

Newport Dinner Meeting – “Using Metal in Architecture”

Our April meeting was held at The Hotel Viking in Newport, Rhode Island. It was a wonderful place to hold our dinner meeting, full of history and character. Craig Saunders of Du Bose Associates Architects of Hartford, CT and Westerly, RI gave an informative presentation explaining why they use metal in their building projects. The highlights of the evening were discussions about using metal for cost and speed and using metal as a design element in high profile buildings. We reviewed two award winning case studies: Hartford Job Corps Center and Two Rivers Middle Magnet School. MBCEA-NEC member Metecno-Morin of Bristol, CT supplied the metal wall and roof panels for both of these projects. It was an informative evening, full of the firm’s focus on quality, creativity and diversity in the metal building industry.
